Confidentiality note and liability disclaimer

The information contained in this document (the "Information") is provided to you as a client of Visa International Service Association ("Visa") and/or a participant in the Visa payments system. The Information is confidential and subject to the confidentiality restrictions contained in Visa's Core Rules and/or confidentiality agreements, which limit your use of the Information. You agree to keep the Information confidential and to use it only in your capacity as a client of Visa and/or a participant in the Visa payments system. The Information may only be disseminated within your organization on a need-to-know basis. Please be advised that the Information may constitute material non-public information under US federal securities laws and that purchasing or selling securities of Visa Inc. while being aware of material non-public information would constitute a violation of applicable U.S. federal securities laws.

This document may contain "forward-looking statements" within the meaning of U.S. Private Securities Litigation Reform Act of 1995. These statements can be identified by the terms "objective," "goal," "strategy," "opportunities," "continue," "can," "will" and similar references to the future. Examples of such forward-looking statements include, but are not limited to, statements we make about our corporate strategy and product results, goals, plans and objectives. By their nature, forward-looking statements: (i) speak only as of the date they are made, (ii) are neither statements of historical fact, nor guarantees of future performance and (iii) are subject to risks, uncertainties, assumptions, and changes in circumstances that are difficult to predict or quantify. Therefore, actual results could differ materially and adversely from those forward-looking statements because of a variety of factors, including: the impact of new laws, regulations and marketplace barriers; developments in litigation or government enforcement; economic factors; industry developments; system developments; loss of organizational effectiveness or key employees; failure to effectively develop products and businesses, and the other

factors. You should not place undue reliance on such statements.

All information provided "as is" for informational purposes only. Visa is not liable for any informational errors, incompleteness, or delays, or for any actions taken in reliance on information contained herein. Case studies, statistics, research, and recommendations are provided "AS IS" and intended for informational purposes only and should not be relied upon for operational, marketing, legal, technical, tax, financial or other advice. You should consult with your legal counsel to determine what laws and regulations may apply to your specific circumstances. The actual costs, savings, and benefits of any recommendations or programs may vary based on your specific business needs and program requirements. By their nature, recommendations are not guarantees of future performance or results and are subject to risks, uncertainties, and assumptions that are difficult to predict or quantify.

Visa is not responsible for your use of the information contained herein (including errors, omissions, inaccuracy or non-timeliness of any kind) or any assumptions or conclusions you might draw from its use. Visa makes no warranty, express or implied, and explicitly disclaims the warranties of merchantability and fitness for a particular purpose, any warranty of non-infringement of any third party's intellectual property rights. To the extent permitted by applicable law, Visa shall not be liable to a client or any third party for any damages under any theory of law, including, without limitation, any special, consequential, incidental or punitive damages, nor any damages for loss of business profits, business interruption, loss of business information, or other monetary loss, even if advised of the possibility of such damages.
